

We bring Bookclubs to charities to help organizations engage and cultivate a community of readers committed to their mission.

CREATE YOUR ORGANIZATION'S CLUB TODAY!

Why start a charity book club?

Book clubs inspire and build community. Whether you work in community outreach, member engagement, or development, Bookclubs makes it easy to set up your organization’s book club and build awareness through literature and discussion.

- Grow your membership base
- Build awareness of your mission
- Enhance fundraising efforts
- Engage donors, volunteers, and the broader community
- Plan live and virtual book club events with ease

Create a space for thoughtful discussion and inspired action

Grow your membership base, fundraise, engage donors, and plan events all in one place.

Time is our most scarce resource and nonprofits often have to move mountains with few resources. Bookclubs makes starting a book club simple, and quick. From your charity book club portal, you can easily invite members, schedule in-person, virtual, or online discussion-based meetings, communicate through the message board, and poll your members to provide educational and inspiring reading selections.

Well read, well funded charities start here.
