

Your secret to an organized book club

Manage, start, or join a book club with ease.

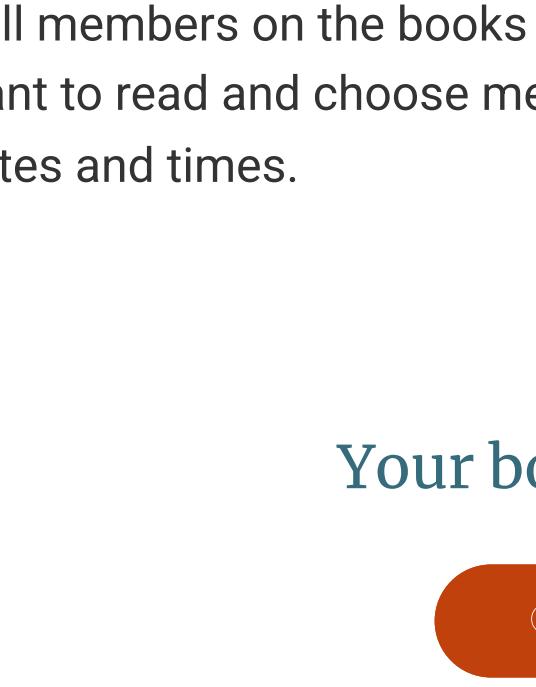

[START A CLUB](#)

Get organized. Stay together.

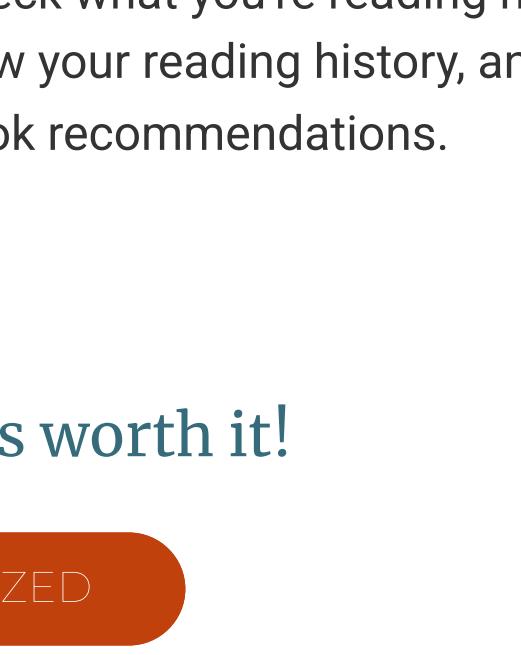

Set up your online or in-person book club with digital bookshelves, polls, meetings, member management, and more.

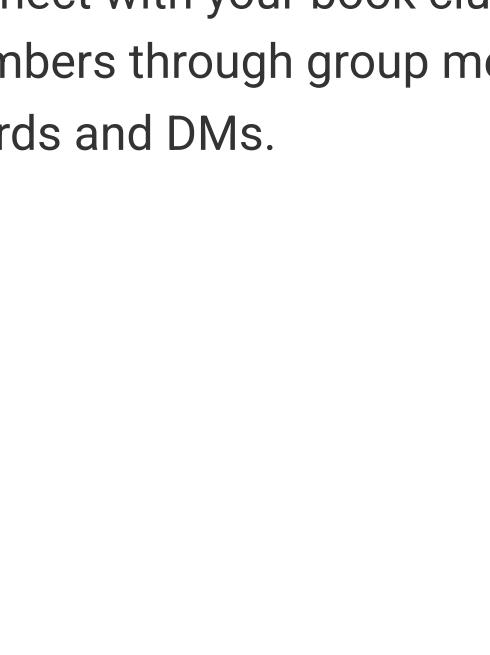

Meetups made easy
Easily schedule and manage events, add members, send reminders, and track attendance.

Vote on what's next
Poll members on the books you want to read and choose meeting dates and times.

Keep tabs on past reads
Check what you're reading next, view your reading history, and share book recommendations.

Stay connected with chat
Connect with your book club members through group message boards and DMs.

Your book club is worth it!

BOOK OF THE MONTH

We Do Not Part: A Novel

By Han Kang

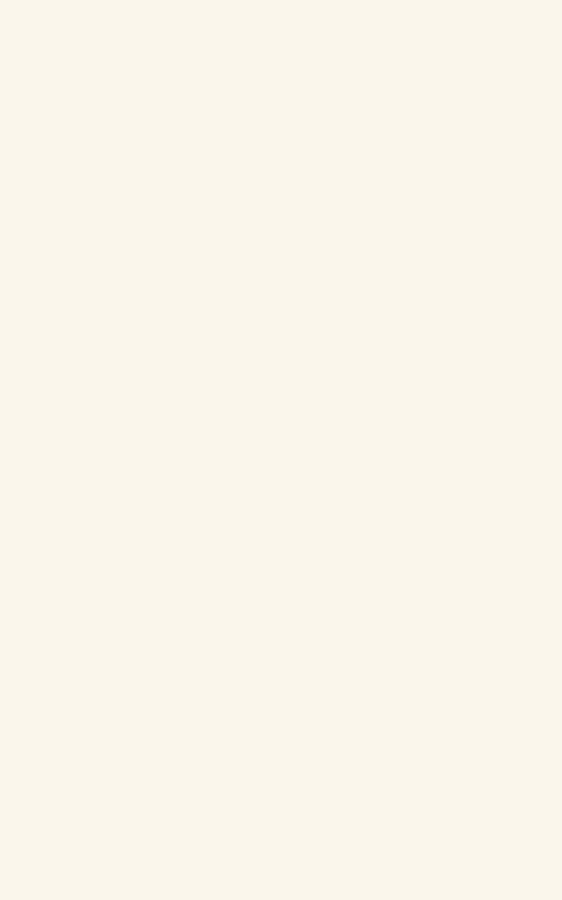

Han Kang's most revelatory book since *The Vegetarian*, *We Do Not Part* tells the story of a friendship between two women while powerfully reckoning with a hidden chapter in Korean history.

WIRED

EXACTLY THE APP OUR

BOOK CLUB NEEDED

We can keep track of all the books we've read, see the one we are currently reading, post meet up info and there are discussion questions in the app! Love it!

AN ABSOLUTE GAME

CHANGER

If you love books and know a few readers then you need this app to help and inspire you to start your own book club!! All you have to do is choose a name for your club and this wonderful app will do the rest

-Mochimochi1020

GREAT FOR

CONNECTING

Great tool for connecting with your book club. Better than texting and Facebook groups, because the interface has features that are specific to the needs of a book club.
